

## The Department of Radiology Outpatient Services During the COVID-19 Pandemic

---

The Mount Sinai Department of Radiology continues to provide all imaging services throughout our outpatient locations. We remain committed to providing the highest quality care, in our state-of-the-art facilities throughout the COVID-19 pandemic in a **SAFE** environment for both our patients and our staff.

### Available Radiology Services

Interventional Radiology

MRI

CT scan

PET imaging

Ultrasound

Nuclear

Mammography

X-rays (**scheduled appointments required**)

### Scheduling Appointments

Our friendly and experienced staff are waiting to schedule all (including x-rays) your radiology needs, Monday through Friday from 7am to 5pm:

**212-241-8333 (upper east)**

**212-523-8333/8332 (west side)**

**212-844-8880 (downtown)**

### Urgent Radiology Requests

Urgent radiology exams can be expedited by our experienced and friendly staff. Please contact us at [RadiologyPatientAccess@mountsinai.org](mailto:RadiologyPatientAccess@mountsinai.org) Monday through Friday, 7am through 5pm.

### During the Visit

Your patients can expect these modifications to ensure their safety:

- Modified exam schedules to ensure social distancing and reduced wait times
- Pre-registration and pre-screening by telephone to expedite the visit
- Pre-screening upon arrival to confirm health status
- Masked and gloved personnel
- Thorough equipment cleaning after every imaging study

### Radiology Results

Reports will be finalized within 2 hours of the patient's completed exam.
