Why MyMountSinaiChart?

MyChart eliminates the wait for a phone call or letter by providing personalized and secure online access to portions of your medical records.

You have the ability to:

- View selected test results online
- Send non-urgent messages to your doctor or medical team
- Request prescription refills
- Schedule follow-up appointments
- Schedule Video Visit appointments (if available)
- Access your immunizations, allergies, and medical history
- Link your family's accounts to your account for convenience

Is it Secure?

Your privacy is important to us. MyMountSinaiChart is password-protected and delivered through a secure connection, making your information safe from unauthorized access.
