

Video Studio Pricing Structure

Thank you for choosing the Mount Sinai Health System's Video Studio for your video production needs. Please review the production rates below:

Type	Duration	Price
1. Edited videos with online producer from On-Site Studios, green screen and assisted B-Roll	0-4 minutes	\$270/Finished minute
	5-10 minutes	\$200/Finished minute
	11+ minutes	\$150/Finished minute
2. Live produced streaming	0+	\$10/Minute

***Please note there will be an additional \$150 studio usage fee added to the final cost**

***You must include your 12-digit Fund Number in the online scheduling form to ensure your video will be produced**

***Generally speaking, the most effective videos are 2-3 minutes. We recommend filming at least 10 minutes of raw footage per finished minute to ensure the editor has enough footage to work with**
